STUDENT LIFE

Student Life

Chapel outdoors was a way that all St. Mary's students were brought closer together.

The Rose Garden is a favorite place for many St. Mary's students.

Two typical girls relax around the dorm.

Being lavaliered can bring some strange results!

Mr. Lawrence joined in the St. Mary's spirit by participating in the Student-Faculty softball game.

Picnics are so much fun!

Stacey takes out time for a set of tennis.

Freshmen move into school and new way of life.

Miss Duncan clowns around the pool with the Sea Saints.

Student Life

Girls cheer their team on at the games.

Peck, Peck, Peck . . .

They sure don't have snow like this in Florida!

Students give a puppet show for the Governor Morehead School children.

The Chapel—center of life at St. Mary's.

Number one in her class!

Study—a very real part of student life.

Friendly rivalry!

The Biggest Sprite of All!

The Morning After!

St. Mary's Closed Study Hall!

L'll Darlin'

Is this the Blue Orchid?

The Double Forehand?

"Washed Ashore."

And as the sun rises . . .

An alternative for May Court.

1,2,3 Smile!

Have a bite of my Budburger.

Basketball

The 1973-74 St. Mary's Varsity Basketball Team.

Watching their team from the sidelines is complete concentration for these girls.

Watch that ball!

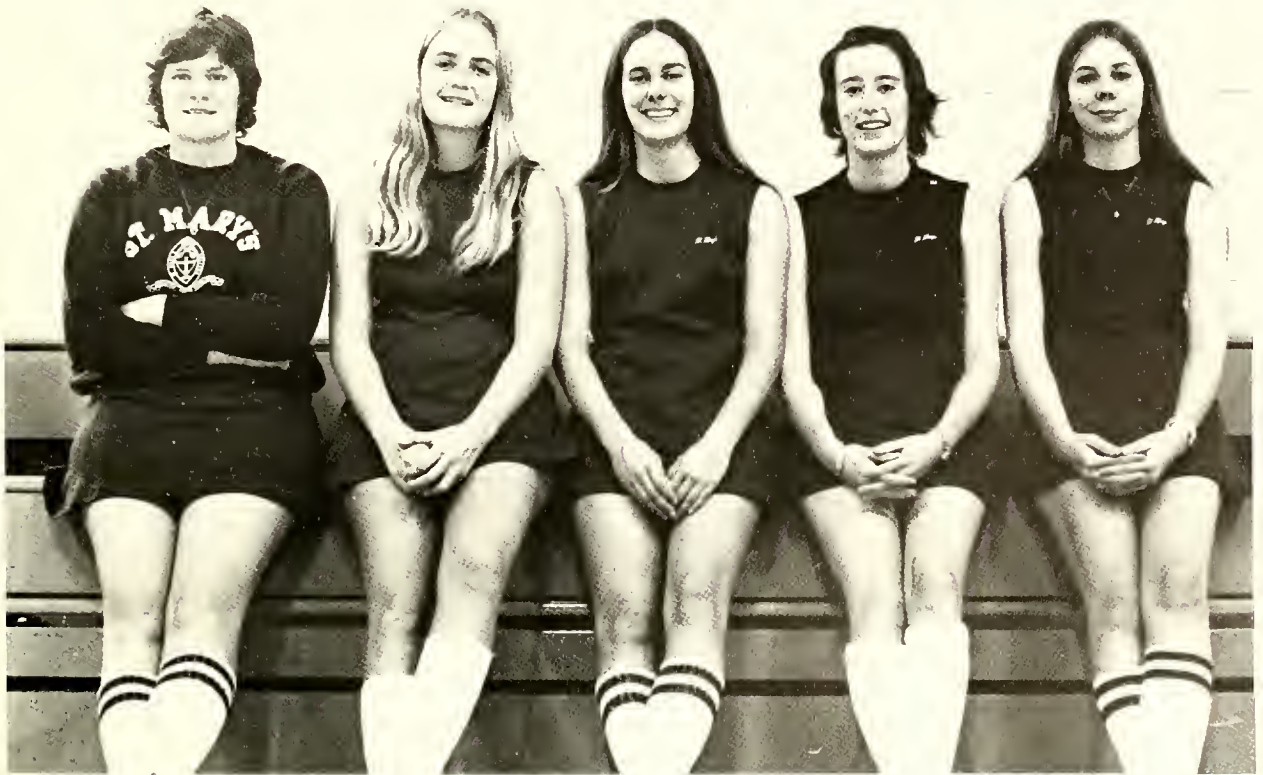

Miss Alexander gets a lift from her team.

Cheerleaders

The 1973-74 St. Mary's Cheerleading Squad.

The Cheerleaders lead the crowd in a yell.

The S.O.S. club, in an attempt to boost school spirit, issued a plea for a St. Mary's mascot, and the Sigma-Mu cheerleaders immediately set out looking for one. Suggestions for the mascot were made and the winner received a prize of a free overnight. The big moment came when the identity of the new school mascot was disclosed. During an assembly put on by the cheerleaders, the four finalists were presented. They included the St. Mary's Spirit, the St. Mary's Stompers, the St. Mary's Tigers, and the St. Mary's Sprite. The winner, the St. Mary's Sprite, was chosen as the new mascot for SMC. The girl chosen to be the Sprite was Betsy Bullington.

Tennis

The 1973-74 Varsity Tennis Team

The Varsity Tennis Team consisted of eleven girls. After a great deal of practice and hard work they finished a successful season with eight wins and five losses. Coach Mary Lou Jones was very proud of the girls as they made many improvements throughout the season.

"Number one" means a lightening fast serve.

The 1973-74 Junior Varsity Tennis Team

St. Mary's J.V. tennis team was composed of seventeen hard working members. The J. V. team played surrounding high schools. Each member improved greatly throughout the season. Coach Mary Lou Jones looks forward to seeing many J.V. members play varsity tennis next year.

Robin hits an almost perfect shot.

The Boyfriend

We plot to have a boyfriend.

St. Mary's Girl's?

You're never too old for . . .

"Old lady, quit nagging me!"

Let's Charleston!

"That certain thing called the boyfriend."

Smile everyone!

"For me?"

Welcome to SMC!

The doors of St. Mary's readily waits for the girls arrival.

The welcoming committee takes it easy for a few seconds.

Who could leave home without their stuffed animal?

Loaded down with everything, St. Mary's girls come with anticipation.

Seeing old friends, as well as making new ones, is a good start for a school year.

The first meal back at the cafeteria is a wonderful experience!

Halloween

You turn me on!

"I just can't understand it Bud . . . I only ate 20 tootsie rolls, 6 carmel apples, 14 candy corns, 5 corndogs . . ."

"Can I tempt you with an apple my dear?"

Ghosts and Goblins!

The "typical St. Mary's student" made a great hit with the Wittens!

Boo!

If she kissed you once, she'll kiss you again.

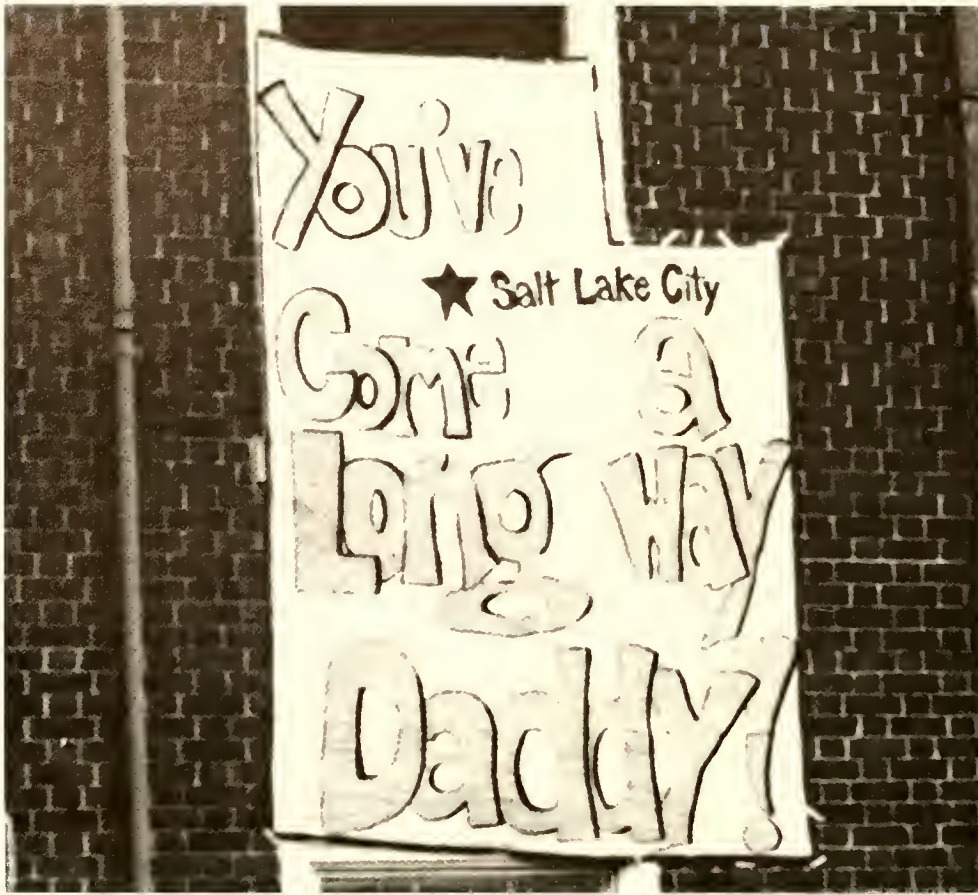

"I'll get you my little pretty!"

The GREAT PUMPKIN will see you tonight!

Trick or Treat!

Father-Daughter Day

Utah is definitely a long, long way!

Fathers and Daughters enjoy the activities during the day.

Fathers see that their daughters are telling the truth about how hard the classes are.

Waiting for your father can seem like forever!

Christmas

The best things come in small packages.

I wonder if Santa thinks I'm a good little girl?

On Comet, on Cupid, on Donner and Blitzen.

'Twas the night before Christmas . . .

Singing Christmas carols works up quite a thirst!

Three elfs ready for Christmas fun.

One of Santa's sly helpers!

Take that, Santa!

Day Students

We want food!

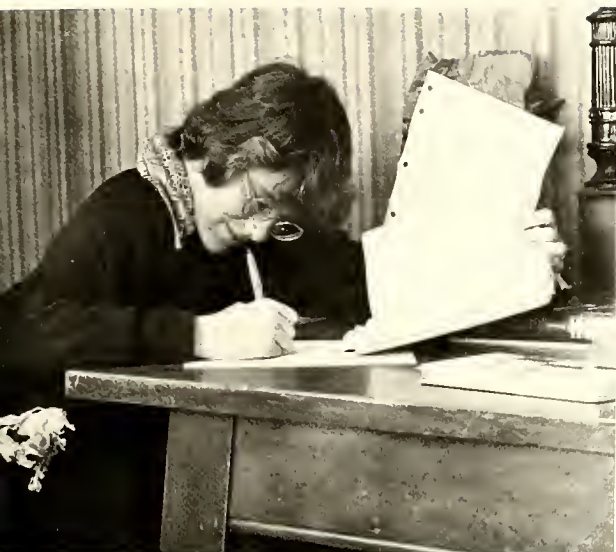

"Day Student's House . . ."

Jane relaxes between classes.

Study + lunch = indigestion

This place sure isn't as quiet as the library

As the conversations continue . . .

"All my babies" comes to an exciting climax.

We sure have a lot of fun!

Freshman Slave Sale

Mr. Lawrence—our famous auctioneer!

Sold for \$205!

Gosh, I don't want to be sold!

I sure do need a car wash!

A slave keeper.

Another slave auctioned off.

Another sale!

Spectators view their prospects from the balcony.

ACADEMICS

Academics

The Drama Department seeks to encourage students to assume leadership in dramatic activities and to develop qualities of cooperativeness, reliability, self-confidence, and poise. During the school year, the St. Mary's Players present two major productions. The Drama Department also sponsors the Dramatics Club and the Order of St. Genesius. The Order of St. Genesius is an honorary organization to recognize students who have made outstanding contributions to the theatre life at St. Mary's.

Art increases one's ability to perceive, to respond, and to understand the environment. The Art Department offers a variety of courses ranging from art history and art education to studio courses. In addition to classroom work, the student has an opportunity to explore art museums and galleries and to meet established professional artists.

Drama

Music

Math

The St. Mary's Music Department offers courses in theory, appreciation, and history. Instruction in organ, piano, and voice is also offered.

The Mathematics Department is designed for either students who plan to major in math or students whose major requires only a freshman level of mathematics.

Religion is an important aspect in the life at St. Mary's. Old and New Testament is required and elective courses in comparative religion are offered.

Chemistry

Science majors will be pleased with the variety of biological and physical science courses offered at St. Mary's. Chemistry, Biology, Physics, and Anatomy are available to all students to support their major or fill the graduation requirement.

Physics

Biology

Physical Education

Our recently completed recreation facility has opened new doors for the physical education department. Students have an excellent selection of physical education courses for completion of the requirement. The department offers swimming, life saving, tennis, golf, archery, badminton, modern dance, ballet, tap, team sports, physical fitness, horseback riding, bowling, ping pong, and even pointers for the campus pool sharks. Intramural competition is also available for credit through participation in Sigma-Mu.

Languages

Spanish

A St. Mary's Girl is given the opportunity to take Spanish, French, German and Latin. Studying a foreign language can be an interesting and unique experience because the student is given a great deal of individual attention and the teachers are very well qualified in their chosen subject. The student can learn to be proficient in all phases of understanding a language. One can explore the life in other countries and discover much about himself and his surroundings. The study of languages can offer the student an interesting change and open the door to a new and unusual world.

ORGANIZATIONS

Honor Board and Social Board

The Honor Board strives to uphold a high standard of personal integrity in all aspects of life within the St. Mary's community. The board is composed of faculty members and students elected by their classmates. It is the responsibility of these members to issue guidance when any part of the Honor Code has been violated.

The Social Board is the second highest governing court at St. Mary's. It is composed of two faculty members and ten students. The Social Board handles cases such as excessive lateness, leaving and remaining, and usage of alcoholic beverages on campus.

Hall Council

Hall Council is composed of seniors who are nominated by the SGA to preside over the student body. Councilors are responsible for maintaining order in the dorm and solving any student problems which may arise. Hall Council chairman is Melrose Whitfield.

Leg. Body is the student's way in which they may voice their opinions and attempt to change rules which they may feel are outdated and are no longer relevant. The Leg. Body is presided over by Bolling Quicke, Vice-President of the SGA. There are representatives from each class as well as the president of each class. The Dean of Students and another faculty member are also present to advise.

Leg. Body

Student Government Association

At St. Mary's, each student belongs to the Student Government Association. Each student is responsible for expressing her opinion in affairs regarding the governing of the student body. The basic principle of the Student Government Association is the Honor System, which is designed to promote mutual trust and respect among students, faculty, and administration.

The Student Government Association officers are nominated from the Senior class. They must have noticeable leadership abilities and an academic average of 3.0 or higher. The Student Government Association officers along with various boards such as Honor Board, Social Board, Legislative Body, Education Committee, and Academic Council further the democracy of St. Mary's.

The Student Government Association officers are: President—Lane Turner; Vice-President—Bolling Quicke; Secretary—Boo DeVane; Chairman of the Social Board—Melrose Whitfield; Secretary of the Social Board—Margaret Ann Denning; and Day Student President—Kay Reynolds.

Altar Guild

Vestry

The Altar Guild's main duty is to keep the chapel clean and prepare for the services. It is divided into four major committees: The Brass Committee, the Flower Committee, the Communion Committee, and the Miscellaneous Committee. The Altar Guild is open to all interested girls.

The Vestry is the student advisory body of the Chapel. The members, under the direction of Mr. Davis and Senior Warden, Neal Johnson, serve one year terms and vote on matters concerning the Chapel. One of the Vestry's main projects this year has been working with the children from the Governor Morehead School for the Blind. At Thanksgiving, the children really enjoyed coming over for turkey dinner and entertainment. St. Mary's Girls also work over at the Blind School tutoring and supervising the children. At Christmas, the Vestry members sold Christmas cards with the proceeds going to UNICEF. The Vestry has also planned special chapel services and engaged guest speakers to speak at St. Mary's.

Crucifers

St. Mary's life is made much more meaningful with the dedication that has been shown during the Chapel services. The crucifer is the girl who bears the cross and leads the acolytes to the front of the Chapel. The crucifers are chosen from outstanding members of the Senior class. The acolytes carry the flags and light the candles on the altar. The Chapel service is made more meaningful by the girls because they feel that they have contributed something to the service. To carry the cross or to be an acolyte is an honor that each girl will cherish with dignity and reverence.

The crucifers are: Margaret Ann Denning, Susan Byers, Lane Turner, Neal Johnson, Bolling Quicke, Melrose Whitfield, and Kay Reynolds.

Acolytes

Order of the Circle

As the Circle symbolizes unity, so the purpose of this organization is to promote a spirit of cooperation among the students and between the faculty and the students, by the cultivation of high ideals of service, fellowship, citizenship, and scholarship, and to assist new students in finding their place in school life and activities. The name of this organization shall be the Order of the Circle.

Beacon

The Beacon is the honorary organization of the high school department of St. Mary's. Its members are selected from the sophomore class at intervals during the year with regard given to participation in extracurricular activities, leadership, character, and academic achievement. Several freshmen are chosen in the spring to be the nucleus for the following year's group.

The purpose of the Beacon is to promote school spirit, to encourage cooperation in every phase of school life and to support participation in extracurricular activities. Above all, each member of the Beacon genuinely strives to serve St. Mary's in every phase of her life.

Outing Club

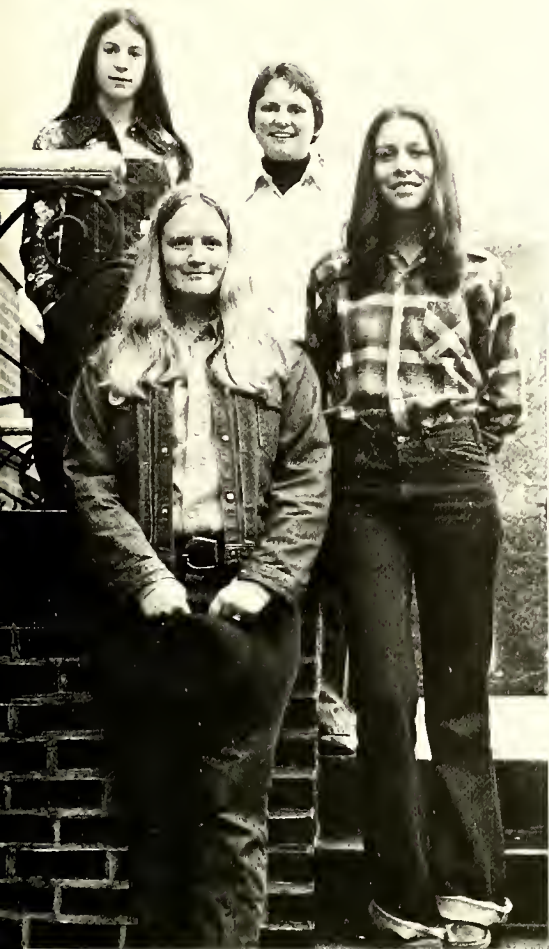

Outing Club Officers

The Outing Club is an organization dedicated to promoting an interest in the great outdoors. Hiking and camping are the two most enjoyable activities.

The Art Club, a new club at St. Mary's this year, is not just for people who are artistic but also for those who have an interest and appreciation of art.

Art Club

Cold Cuts

The Cold Cuts is the washboard band that exists on the St. Mary's campus. This group is made up of eighteen to twenty-five girls of the Senior Class. Tryouts are held three times a year—the first two times are for seniors and the third time is for Juniors to begin the group for the next year. The Cold Cuts are probably best known for their performances at fraternities. Even though this is the most popular place to play, the group receives heartwarming experiences playing for Dorothea Dix, the Central Prison and the Governor Morehead School for the Blind. They also play for various social men's and women's groups.

The original seven: Karen Strange; Mary Louise Pope; Julie Parker, President; Tish Detgen; Anna DuBose; Libba Barbour; and Louise Wortham.

Caperettes

Orchesis

Scottish Dancers

The performing dance groups at St. Mary's are Caperettes, Gillie Callum Dancers and Orchesis. Caperettes, the talented tap dancers, specialize in jazzy routines and kick lines. A new number, "Telephone Talk," was added this year and made a big hit. The Gillie Callum Dancers are the Scottish dancing group who fling to the music of bagpipes. Their colorful kilts and highland dances, such as "The Fling" and the "Sword Dance," make them really fun to watch. Orchesis is composed of ballet and modern dance students who perform both classic and interpretive numbers. The members this year used films and special sound effects as a new and unusual backdrop for their dances.

Sea Saints is the synchronized swimming club of St. Mary's. The group, headed by Eugenia Owsley this year, gave a sneak preview of their talents at a special show on Father-Daughter Day. Their great spring show was centered around the different phases of life at St. Mary's—with all choreography, costumes and sets done by the members themselves. These graceful swimmers also sponsored the annual Sigma-Mu swim meet.

Eugenia Owsley, President

Sea Saints

Phi Theta Kappa

Phi Theta Kappa is composed of seniors who had a yearly average of 3.25 or higher.

Honor Society

The Honor Society is composed of sophomores who had a yearly average of 3.50 or higher.

Granddaughter's Club

Chorale

The granddaughter's Club is composed of all girls whose mothers or grandmothers attended St. Mary's.

The Chorale is the singing group of St. Mary's College. They sing at Sunday Chapel services as well as the weekly Wednesday night service. The Chorale presents an annual Christmas program in an assembly and a Wednesday Chapel service. Mr. Michael Bulley accompanies the group and is also their director.

STAGECOACH

Editors

Laura Grimes, Editor in Chief

Mini Martin, Advertising Editor

Mary Kelly Tasker, Art Editor

The Stagecoach is St. Mary's yearbook that is produced by a staff of students. It attempts to capture life of the girls at St. Mary's through photographs and print. The editors are selected by the preceeding year's publications committee on the basis of experience and interest in the yearbook. *The Stagecoach* is given out at the end of the school year to all students. It is a very important keepsake to all girls—full of memories never to be forgotten.

The Stagecoach Staff

Belles

Striving to give an accurate picture of St. Mary's life and activities through news stories, editorials, and features, *The Belles* is the semi-monthly campus newspaper. *The Belles* gives an opportunity for and encourages the expression of ideas of students, faculty and administration. This year, the paper boasts an exceptionally big and dependable staff as well as a new and larger format.

Muse

Muse Editors

SOS Officers

The *Muse* is the literary magazine of St. Mary's composed of creative work done solely by the students. Poetry, short stories, songs, and art work are included in each of the biannual issues. The staff consists of the editors, advisor, and anyone else that is interested.

Newly organized this year, Spirit of St. Mary's is a pep club dedicated to promoting school spirit in athletic as well as social contests. Any student of St. Mary's is invited to join the SOS. The SOS was formed to increase the closeness of the separate classes. The goal of the SOS is to bring the classes together by competitive rivalry. This year the SOS sponsored the contest which chose the mascot of St. Mary's, "The Sprite."

This man is a living part of the true St. Mary's spirit that is on campus. Those that have never experienced his smile have missed a ray of sunshine in their life.

He has dedicated 35 out of his 66 years of life to our school. Even though now retired, he continues to work here.

Because of his unfailing dedication to St. Mary's, we gratefully dedicate the 1974 STAGECOACH to our own Casper Lilley.

*“Come Saturday morning
I’m going away with my friend
We’ll Saturday spend ’til the end of the day
Just I and my friend
Will travel for miles on our Saturday smiles
And then we’ll move on
But we will remember
Long after Saturday’s gone.”
St. Mary’s is sunshine
We came here to laugh in the sun
And learn how to live as we went on our way
You made us all love
You taught us much more than we ever will know
Our days with good friends
Will fill our tomorrows
Leaving their smiles in our hearts.
Our school year is ending
Our ship is now ready to part
The harbor is clear for the journey to start
One final farewell
One word that will say what is deep in our hearts . . .
And that word is love
And we will remember
Long after Saturday’s gone.
Then on we will travel
New places and faces we’ll see
A brand new life it will suddenly be
And then we’ll recall
The smiles and the tears we have shared one and all
But we must move on
But we will remember
Long after Saturday’s gone.*
